FRENCH AMBASSADOR, H.E. MRS. VIRGINIE LEROY VISITS UEGCL (NALUBAALE-KIIRA POWER STATIONS)

On 8th April 2026, the French Ambassador, Her Excellency, Mrs. Virginie Leroy, the Ambassador of France to Uganda, Regional Director of the French Development Agency, Mr. Jean-Francois ARNAL and Mr. Marc Trouyet, the Country Director for Agence Française de Développement (AFD), visited Nalubaale-Kiira Power Stations(380MW). The visit highlighted the strategic partnership between Uganda, France/AFD and countries in the European union. As a result of this partnership, UEGCL is being supported in its efforts to rehabilitate the Nalubaale-Kiira power plants. This project will lengthen the lifespan of Nalubaale power plant, improve the reliability of Kiira power plant and enhance the safety of both dams.
