

Happy 32nd NRM Anniversary

H.E Yoweri Kaguta MUSEVENI
President of the Republic of Uganda

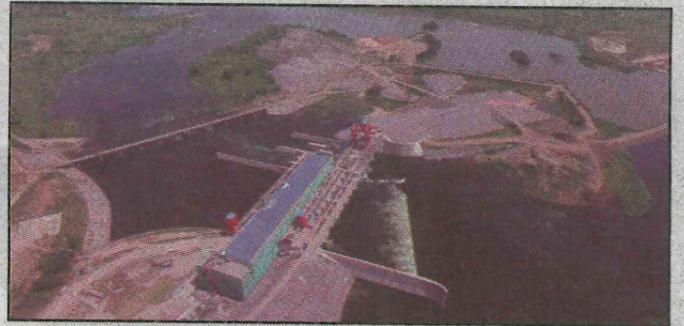

Dr. Eng. Harrison E. MUTIKANGA
Chief Executive Officer

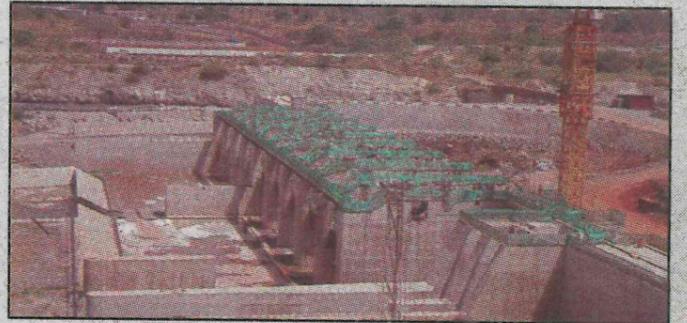

The Board, Management and Staff of UEGCL congratulates **H.E Yoweri Kaguta MUSEVENI**, President of the Republic of Uganda, NRM government and the People of Uganda on this occasion to mark 32 years of NRM. We also commit to staying true to our Mission of sustainably generating reliable, quality and affordable electricity for socio-economic development.

Generating for Generations.

"The NRM Government is committed to improving electricity generation and supply to support industrialisation as well as ensuring universal access to affordable, reliable and modern energy. We have, already, made commitments at regional and international level to improve electricity generation and sharing among partner states through the Eastern Africa Power Pool (EAPP) in a bid to rationalise the generation and use of modern energy." - Page 236, NRM Manifesto 2016 - 2021.

183MW Isimba Hydro Power Project (Commissioning date: August, 2018)

600MW Karuma Hydro Power Project (Commissioning date: December, 2018)
