

	UGANDA ELECTRICITY GENERATION COMAPANY LIMITED QUALITY MANAGEMENT SYSTEM	Document No: UEGCL/QMS/RD/5	
		Effective Date: July 2020	
Document Title:	QUALITY POLICY STATEMENTS	Issue No: 01	Rev. 00

QUALITY POLICY STATEMENTS

Vision

To be one of the leading power producers in the Great Lakes region.

Mission

To sustainably generate reliable, quality and affordable electricity for socio- economic development.

Quality Policy

“Committed to the efficient operations and maintenance of UEGCL power plants and implementation of the development of electricity generation facilities in line with the Company Strategic Planning Process so as to ensure reliable, quality and affordable electricity in compliance with the applicable requirements (Electricity Act of 1999, Regulations, ISO 9001:2015 Standard)”.

The Quality Policy Statement shall be reviewed as and when need arises to ensure sustainability and continual improvement.
